Very proud of each and every member of the club as we are all dealing with the disruption to training and fixtures caused by the Covid-19 pandemic. We have continued to train since June at various locations and we are very lucky to have such dedicated coaches who aim to get the best out of each and every player.

Training is currently on hold for seniors but every effort is being made to resume back at Freeston as soon as possible. Our junior training will continue to operate at Kettlethorpe on a Sunday for the short term.

Wildcats 100 Club

We still have some numbers available for our 100 Club please see the Club Info Tab on how to purchase a number. This is an easy and fun way of raising funds that all go back into the club and helps with purchasing equipment, first aid, website set up etc.

WAKEFIELD WILDCATS NETBALL CLUB COMMITTEE MEMBERS

Committee Members Needed

We are looking for more members to join our Committee and help and support the running of our club. If you are interested please get in touch as we are looking for a Vice Chair, Secretary, Data Protection Officer, Fund Raising and Social Secretary and Safeguarding Officer.

THANK YOU

Volunteers of the month

Emma Porter and Tess Halliday for taking on the role of Covid-19 Officers which has allowed us to resume training and enter into the West Yorkshire Leagues at Junior and Senior level.

Thank you to the parents who have offered their help with Covid-19 health checks procedures and for everyone's patience and support with the challenges we are all facing at this difficult time.

The cost of Covid-19 in terms of PPE is huge and we are very fortunate to have had a big sponsor with Countrywide Healthcare, via Mr A Kitching a parent of a U18 member.

If you are interested in becoming a 2020 Sponsor, please contact
